**Roles and Responsibilities:** To be advised

**Training:** To be advised

**Interests:** My family, art and design, costume, local history, conservation and natural environment.

**Membership:** The Listed Property Owners Club

**Statement:** My family and I have lived in Herne Bay since 2003 and we moved up the road to Herne a year ago. I am the Wardrobe Supervisor at The Marlowe Theatre and am an Associate Lecturer at the University of Kent but still have time to enjoy the local countryside. My three children attend nearby schools and I am pleased to now have a more active role in our community. I grew up in a village with an excellent community spirit and network which held regular community events we took part in and I hope to contribute to Herne and Broomfield Parish in the same way, building links and learning more about the area in which we live. I value the character and history of the local area which is surrounded by picturesque countryside and would like to be able to have a say in how it develops whilst preserving as much of its identity as possible.
